Free CEU Course: Rehabilitation Overview in the Treatment of Upper Limb Loss

Who: Occupational Therapists and Case Managers

Where: Tisch Hospital / Smilow Seminar Room
(1st floor of the Smilow Center)
550 1st Avenue, New York, NY 10016

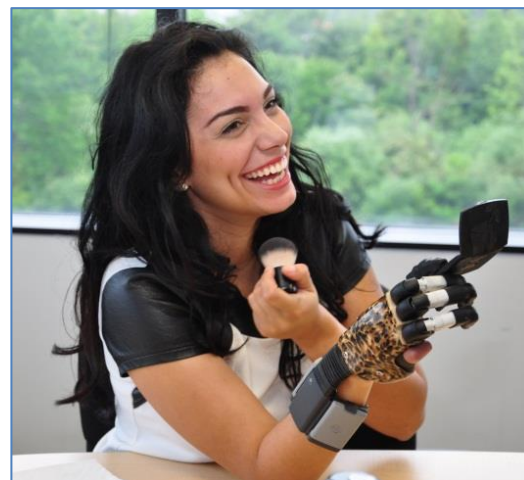

When: Monday, April 10th, 2017 from 5:30pm to 8pm

Why: Gain expertise in Upper Limb prosthetics

CEUs: 0.2 AOTA CEUs or 0.2 CCMC CEUs

Speakers: Steve Martin, OTR/L & Laura Katzenberger, CP

Tuition: Free of charge

Description: This course is designed to educate therapists and case managers on the phases of care that individuals with upper limb loss and deficiency require. In addition, the course will introduce attendees to the latest in prosthetic upper limb technologies. Upon the completion of this seminar, therapists and case managers will be able to identify which clients are appropriate candidates for various prosthetic devices, understand the range of patients who can now benefit from new prosthetic technologies, and be introduced to the critical nature of functional training to maximize patient outcomes.

Course Objectives:

- Understand Phases of Care for Upper Extremity Amputee
- Be Able to Describe Options for Upper Limb Prostheses
- Utilize Myo-Tester and Virtual Training Aid in the Pre-prosthetic Training Phase
- Describe the Benefits of a Multi-Articulating Hand Terminal Device
- Understand the Benefits of a Powered Partial Hand Prosthesis
- Determine Who Would be an Appropriate Candidate for the **i-limb™ quantum**, **i-limb™ digits** and **livingskin®** devices.

Participants will receive a Certificate of Course Completion only if they sign-in at the beginning and sign-out at the end of the course. Attendees will be required to complete a written evaluation at the end of the course to demonstrate understanding of the content. Touch Bionics is an AOTA approved provider of occupational therapy continuing education. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA. This program has been pre-approved by the Commission for Case Manager Certification to provide continuing education credit to Certified Case Managers (CCMs).

Please RSVP by April 6th to Jenna Bonisolli at: jenna.bonisolli@touchbionics.com. Please let us know of any special requests at the time of your RSVP.
